Hi Dave,

Thank you, I'll see you there. By the way, are you going to have someone record the event? It might be nice to have take picture of the afternoon. I won't be able to do it, but Joseph Nardone would be a good person to ask if you aren't going to have it done.
Lenny

Debbie and Lenny:

EPA would like to extend an invite to you to attend the Passaic Job training graduation ceremony this Thursday, March 1 at 6 PM in the Ironbound. See attached brochure. Due to space considerations, we cannot accommodate the full CAG but as CAG co-chair, and community outreach committee chair you are receiving this invite. We hope to see you there and please do not hesitate to contact me with any questions:
